26th December, 2005

Per G.S.Singhvi, C.J.

This petition has been filed by a resident of Chelpur village, Huzurabad Mandal of Karimnagar District apprehending that the land earmarked for primary health Center will be allotted to respondent No.5 and, in this manner, the public interest will be jeopardized.

Learned Government Pleader for Revenue says that there is no proposal for allotment of the disputed land to respondent No.5 and the petitioner has approached the court without any tangible cause or grievance.

In view of the statement of the learned Government Pleader, the writ petition is dismissed as premature with liberty to the petitioner and other public spirited persons to represent their cause before District Collector, Karimnagar and other public functionaries and persuade them not to transfer the land meant for primary health center to any private individual.
